PROFESSIONAL EXPERIENCE

General Accountant **Feb 2025 – Present**
Marakish Express Cargo *Dubai, UAE*

- Process invoices, Voucher entries, and core financial transactions while ensuring accuracy and compliance with UAE accounting requirements.
- Maintain and reconcile the General Ledger (GL), ensuring accuracy and integrity of financial records and supporting financial reporting.
- Manage Accounts Payable (AP) and Accounts Receivable (AR), including invoice verification, payment processing, customer collections, and vendor account reconciliation.
- Prepare bank reconciliations and support month-end and year-end closing activities by maintaining accurate financial documentation and reconciliation schedules.
- Assist in preparing financial reports, submission of UAE VAT and Corporate Tax returns.
- Collaborate with senior accountants and cross-functional departments to improve accounting workflows and ensure timely financial processing.

Process Associate – US HR Operations **May 2022 – May 2024**
Eurofins (BPO) India Pvt Ltd *Bengaluru, India*

- Managed the employee lifecycle for US employees, including onboarding, job transitions, offboarding, and termination processing for 100+ employee cases while ensuring compliance with organizational policies.
- Maintained, audited, and updated employee records, attendance, and HRIS databases, ensuring data accuracy, confidentiality, and compliance.
- Served as a primary HR point of contact for US-based employees, resolving HR inquiries, policy clarifications, and employee requests while delivering high-quality customer service.
- Supported payroll administration, benefits administration, leave management, and employee data validation in accordance with company policies and US labor requirements.

- Developed and maintained Standard Operating Procedures (SOPs), generated HR reports and dashboards, and provided accurate workforce data to support leadership decision-making and process improvements.

Sr. Transaction Processing Officer **Oct 2019 – Jan 2022**
Mphasis Ltd *Bengaluru, India*

- Supported UK Motor and UAE Property insurance operations by processing policy quotations, renewals, endorsements, and mid-term adjustments while ensuring adherence to client and regulatory requirements.
- Managed confidential policy documentation and customer records, maintaining data accuracy, security, and compliance with organizational standards.
- Served as a primary point of contact for policyholders, resolving inquiries, providing policy-related support, and delivering high-quality customer service.
- Processed insurance claims efficiently and accurately, ensuring timely settlement in accordance with established procedures and service-level agreements (SLAs).
- Performed claims reconciliation and policy validation to maintain financial data integrity, achieving and consistently maintaining more than 98% processing accuracy.

KEY ACHIEVEMENTS

- Maintained over 98% processing accuracy across financial transactions, AP/AR, reconciliations, and general accounting activities while ensuring compliance with organizational standards.
- Identified and implemented process improvements across accounting and financial operations, enhancing workflow efficiency, data accuracy, and timely completion of activities.
- Maintained high standards of financial documentation, data integrity, and confidentiality while handling accounting records, reconciliations, invoices, and financial transactions.
- Applied analytical and problem-solving skills to resolve accounting and operational issues while collaborating with Finance and Operations teams to improve service delivery.
- Supported insurance operations through accurate claims processing, policy administration, renewals, and reconciliations while ensuring compliance with client requirements.
- Delivered technical training and knowledge-transfer sessions for new team members, improving process understanding, productivity, and onboarding efficiency.
- Managed and maintained accurate employee records, contracts, personal files, and HR documentation for 100+ employees. Successfully coordinated end-to-end employee onboarding and offboarding, ensuring timely completion of documentation and clearance procedures.
