PROFESSIONAL EXPERIENCE

General Accountant

Feb 2025 – Present

Marakish Express Cargo

Dubai, UAE

- Direct processing of invoices, journal entries, and core financial transactions, ensuring strict adherence to UAE accounting standards.
- Maintain and reconcile the General Ledger (GL), ensuring the accuracy and integrity of financial records and supporting financial reporting.
- Manage end-to-end Accounts Payable (AP) and Accounts Receivable (AR), including invoice verification, payment processing, customer collections, and vendor account reconciliation.
- Prepare bank reconciliations and support month-end and year-end closing activities by maintaining accurate financial documentation and reconciliation schedules.
- Assist in the preparation of financial reports, keeping records and documentation to support management decision-making.
- Collaborate with senior accountants and cross-functional departments to streamline accounting workflows, improve operational efficiency, and ensure timely financial processing.

Process Associate – US HR Operations

May 2022 – May 2024

Eurofins (BPO) India Pvt Ltd

Bengaluru, India

- Managed the end-to-end employee lifecycle for US employees, including onboarding, job transitions, offboarding, and termination processing for 100+ employee cases while ensuring compliance with organizational policies.
- Maintained, audited, and updated employee records, attendance, and HRIS databases, achieving 100% data accuracy, confidentiality, and compliance.
- Served as the primary HR point of contact for US-based employees, resolving HR-related inquiries, policy clarifications, and employee requests while delivering a high level of customer service.

- Supported payroll administration, benefits administration, leave management, and employee data validation in accordance with company policies and US labor requirements.
- Developed and maintained Standard Operating Procedures (SOPs), generated HR reports and dashboards, and provided accurate workforce data to support leadership decision-making and process improvements.

Sr. Transaction Processing Officer

Oct 2019 – Jan 2022

Mphasis Ltd

Bengaluru, India

- Supported UK Motor and UAE Property insurance operations by processing policy quotations, renewals, endorsements, and mid-term adjustments while ensuring adherence to client and regulatory requirements.
- Managed confidential policy documentation and customer records, maintaining data accuracy, security, and compliance with organizational standards.
- Served as the primary point of contact for policyholders, resolving inquiries, providing policy-related support, and delivering high-quality customer service.
- Processed insurance claims efficiently and accurately, ensuring timely settlement in accordance with established procedures and service-level agreements (SLAs).
- Performed claims reconciliation and policy validation to maintain financial data integrity, achieving and consistently maintaining more than 90% processing accuracy.

KEY ACHIEVEMENTS

- Maintained more than 90% processing accuracy across HR operations, financial transactions, reconciliations, and insurance processing while ensuring compliance with organizational standards.
- Delivered technical training and knowledge transfer sessions for new team members, reducing onboarding time and improving process understanding and productivity.
- Identified and implemented process improvements across HR, accounting, and insurance operations, enhancing workflow efficiency while maintaining data accuracy and regulatory compliance.
- Collaborated effectively with HR, Finance, and Operations teams to resolve complex operational issues, streamline processes, and improve service delivery.
- Consistently maintained high standards of confidentiality, data integrity, and documentation accuracy when handling employee, financial, and insurance records.
