PROFESSIONAL EXPERIENCE

General Accountant

Marakish Express Cargo Dubai, United Arab Emirates

Feb 2025 - Present

Key Responsibilities

- Streamlined day-to-day accounting operations by managing accurate invoice processing, precise financial data entry, and timely account reconciliations in compliance with organizational standards.
- Maintained and systematically updated comprehensive financial records, general ledger entries, and core accounting documentation to ensure seamless financial reporting.
- Managed end-to-end accounts payable (AP) and accounts receivable (AR) functions, optimizing transaction processing times and maintaining healthy vendor relations.
- Facilitated month-end and year-end closing processes by executing detailed reconciliations and preparing critical documentation for financial reporting.
- Collaborated closely with senior accounting leadership on strategic administrative and financial workflows to drive departmental efficiency.

Process Associate (US HR Operations)

Eurofins (BPO) India Pvt Ltd, Bengaluru, India

May 2022 - May 2024

Key Responsibilities

- **Lifecycle Management:** Executed end-to-end employee lifecycle processes for US operations, seamlessly managing onboarding, transitions, offboarding, and termination procedures.
- **HRIS & Data Integrity:** Maintained and audited comprehensive employee records, attendance, and HRIS databases, ensuring 100% data accuracy and confidentiality.
- **Employee Relations:** Served as a primary point of contact for US-based employees, resolving HR-related inquiries, policy clarifications, and operational issues with exceptional service delivery.
- **Payroll & Benefits Support:** Collaborated in payroll administration and benefits management, ensuring compliant and timely processing in alignment with company policies and US labor standards.
- **SOP Development:** Authored Standard Operating Procedures (SOPs) to standardize HR workflows and generated data-driven HR reports to support strategic project planning and leadership decision-making.

Sr. Transaction Processing Officer

Mphasis Ltd, Bengaluru, India

Oct 2019 - Jan 2022

Key Responsibilities

- **Quotations & Renewals:** Supported UK Motor and UAE Property insurance operations, including quotation preparation, renewal management, and midterm adjustments.
- **Policy Administration:** Managed confidential policy documents, ensuring data security and regulatory compliance.
- **Issue Resolution:** Served as a key contact for policyholder concerns, delivering effective solutions and maintaining strong client relationships.

- **Claims Management:** Processed insurance claims with precision and timeliness, adhering to established policies and procedures.
- **Claims Reconciliation:** Performed detailed claims reconciliation to ensure accurate transactions and financial data integrity.
